

My name is Kristen Bowden and I am writing about proceeding 17-108, the Net Neutrality Repeal. I am registering a complaint because I believe repealing Net Neutrality will hurt American small businesses. It will stifle internet access for poorer people and rural communities. It will allow corporations to decide winner and loser instead of allowing the market to decide. Repealing Net Neutrality will hurt America!!! And that is why I am registering this complaint. I am an independent musician and I depend on the open internet for my business. Please act in the favor of the American people and save Net Neutrality. Thank you.
